DETAILED ACTION

Claim Objections

1. Claim 1 is objected to because of the following informalities: In claim 1, line 6 and claim 8, line 6 "a guide element (28)" should be --a guide element (24)--.

Appropriate correction is required.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 1, 3-14 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 1, 3-8, line 1, "adjusting device" is inaccurate. Examiner suggests that applicant makes a substitution, for example a device or some other appropriate word or phrase.

Claims 9-12, line 1, "fastening device" is inaccurate and unclear. It is unclear as to what the fastening device in claim 9.

Claim 9, line 2, the adjusting device" lacks antecedent basis.

Claim 11, line 4, "in particular" is indefinite.

Claim 12, line 5, in particular" is indefinite.

Claim Rejections - 35 USC § 102

4. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

5. Claims 9-12 are rejected under 35 U.S.C. 102(b) as being anticipated by Verellen et al. (U. S. 4,784,407).

With respect to claims 9-12, Verellen et al. discloses a fastening device (82). The other limitations in claims 9-12 are so indefinite and functional that this fastening device meets the positive limitations of the claims.

Allowable Subject Matter

6. Claims 1, 3 and 8 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

7. Claims 4-7, 13 and 14 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
